Dedication

We, the Senior Class of 1954, do lovingly dedicate this eighth volume of the Hillcrest to the Holy Mother of God in this blessed Marian year.

To her Immaculate Heart we confide our youth, our ideals and our dreams . . . Under her guidance may we pass from boyhood and girlhood into mature manhood and womanhood with hearts untarnished and minds untainted by the evils which lie in waiting for every youth and maiden.

Administration ond Spiritual Counsel

REV. B. B. ROGUSZKA
Pastor, Administrator, and
Spiritual Counselor

For 11 years the guiding hand of Rev. B. B. Roguszka, Father Ben, as he is popularly known, has steered the course of St. Joseph High School. He reared it through the first critical years of its existence; he formulates its policies today.

His courageous spirit in spite of difficulties, his constant solicitude over the welfare of the students at St. Joseph's, his willingness to incorporate into the school curriculum anything that would open new avenues of culture or learning, has won for him the love and admiration of the entire student body. It was his interest and generosity that made our social, athletic, and scholastic affairs possible.

With deepest sentiments of gratitude we leave the portals of St. Joseph's carrying with us memories of his paternal interest in our activities and his wise words of counsel and encouragement when we felt like giving up the tough battle for ideals.

To Our Faculty

. . . for your kind understanding,
. . . for your patience in our blundering,
. . . for your example and inspiration,
. . . for all those important lessons in true Christian living,
. . . for all this, and much more, we offer heartfelt appreciation and sincere thanks.

Sister Mary Bonaventa, our Principal and Student Council Advisor . . . We owe a debt of gratitude for her untiring efforts in working with us . . . endeavoring to inculculate ideals of Catholicism in our mental, spiritual, and physical development during our years at St. Joseph's. May God's blessing be ever upon her!

S. J. High School, S. J. High School, We'll be always true . . .

Historical facts of America's past are emphasized in the Senior History Class by Mr. Z. Skowronski.

The end of the line! Time for a new ribbon, decide S. Zawacki, E. Tabaczka, D. Hogan, D. Kowalski, and J. Kubanek.

Religion is an integral part of every student's education at St. Joseph's. Father E. Roczen lectures on Psychoanalysis.

Loyal friendship, fun and knowledge Here we find in you . . .

Moments too, of fear . . .

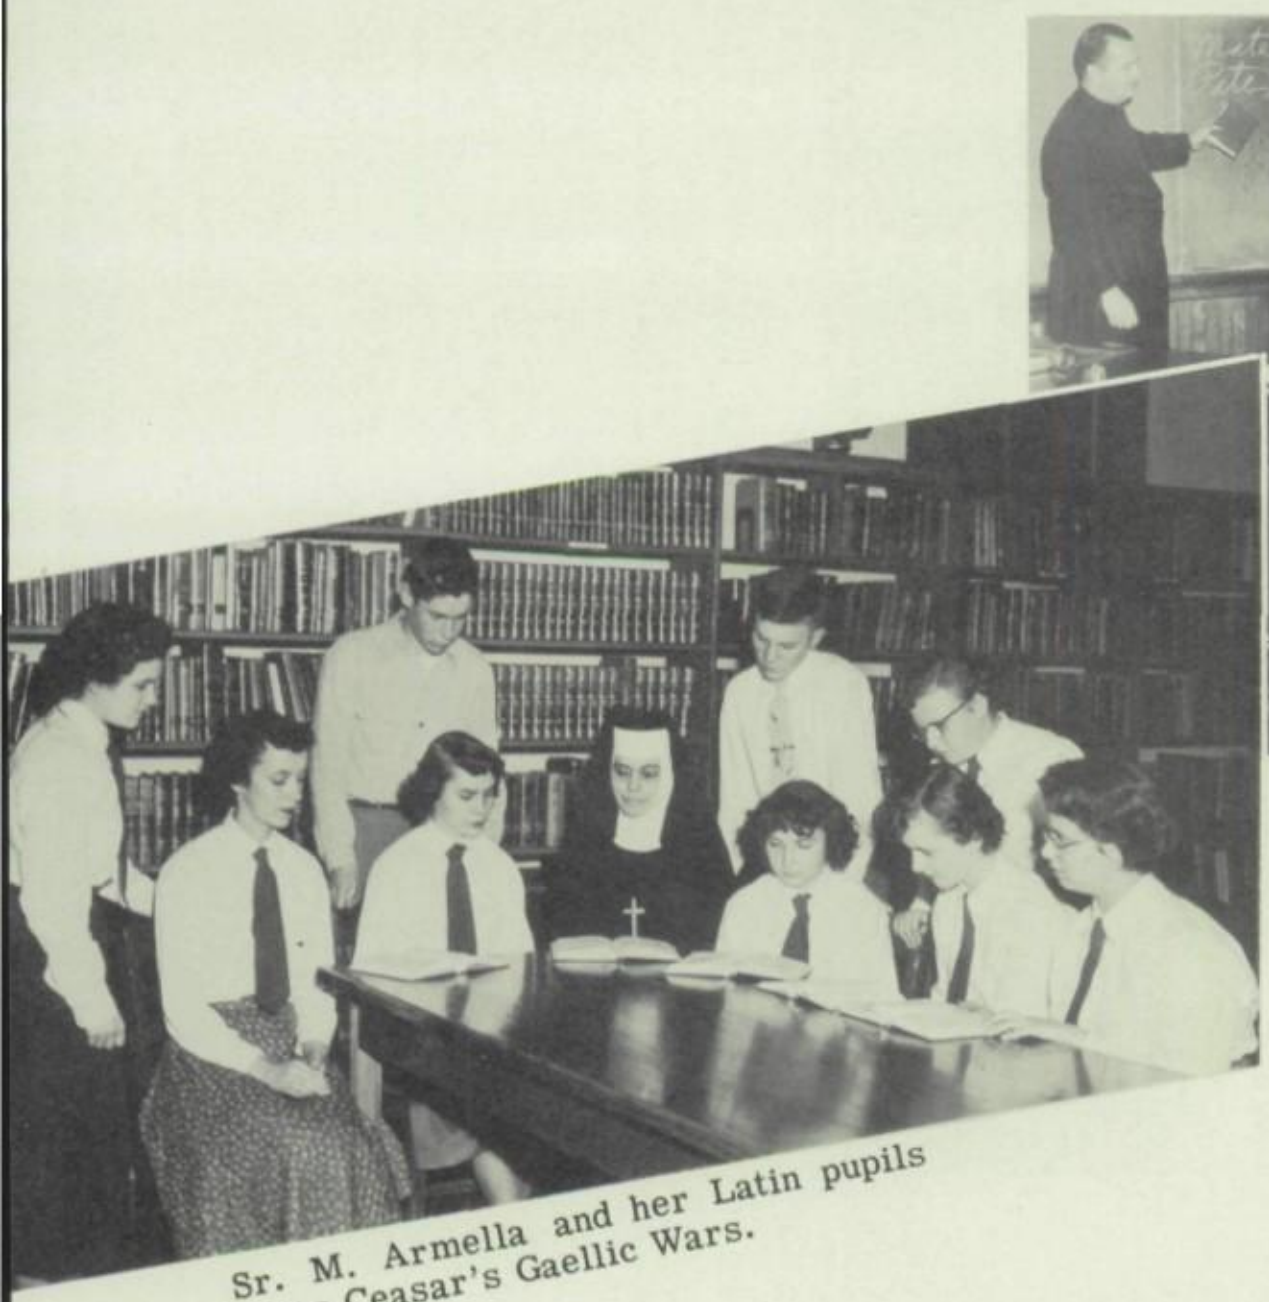
The Freshmen pause to smile at the photographer.



Sr. M. Armella and her Latin pupils discuss Ceasar's Gaellic Wars.

Latin I seems tough. Too bad you didn't take sewing, boys!

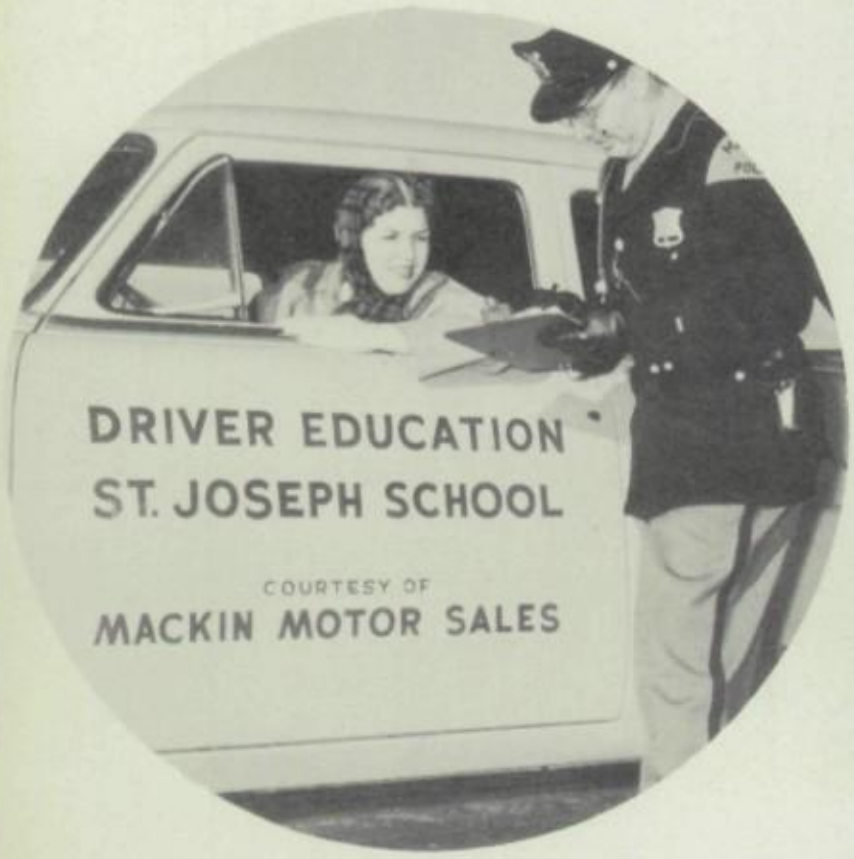
Looks as though the Sophs really enjoy panel discussions.

Hail to our High School,

Hail to S. J. High!

Is it "sew, rip, rip, rip," girls, or vice versa?

Thanks for that driving course, Father Ben.



It's not a ticket but a driver's license Carol W. welcomes with that smile.

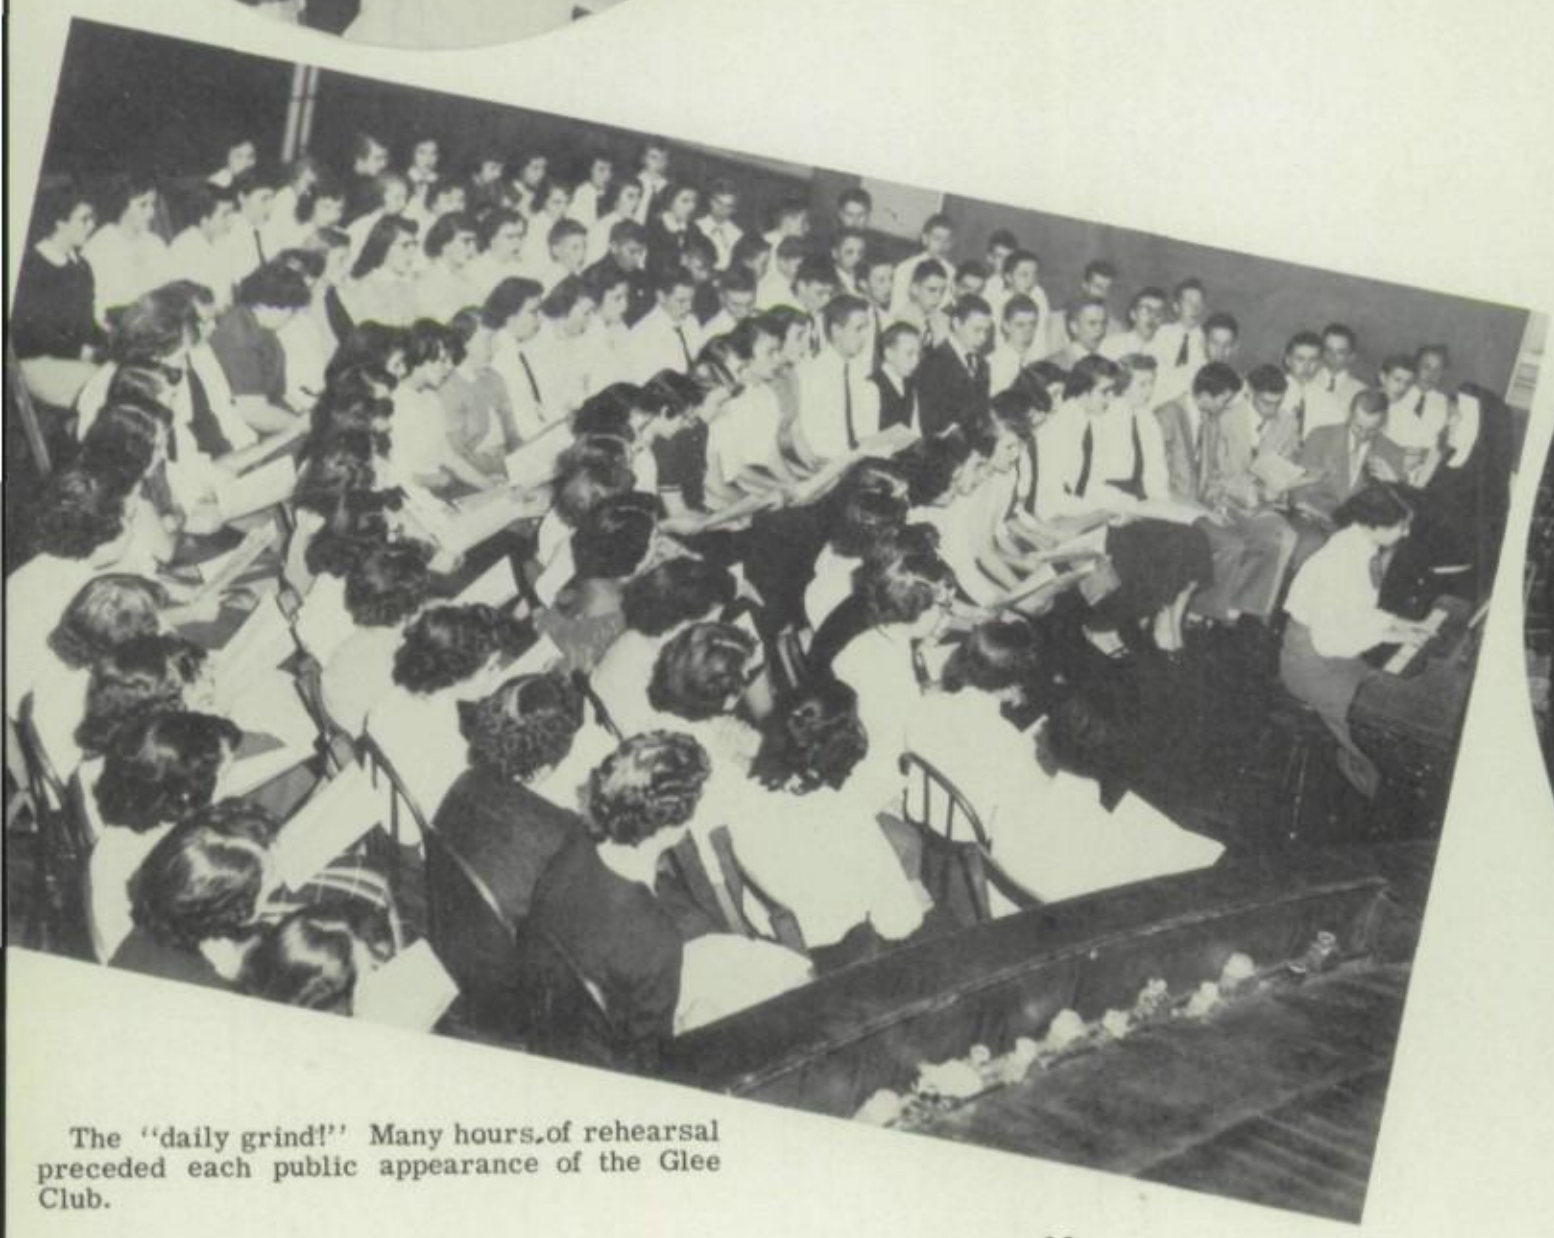
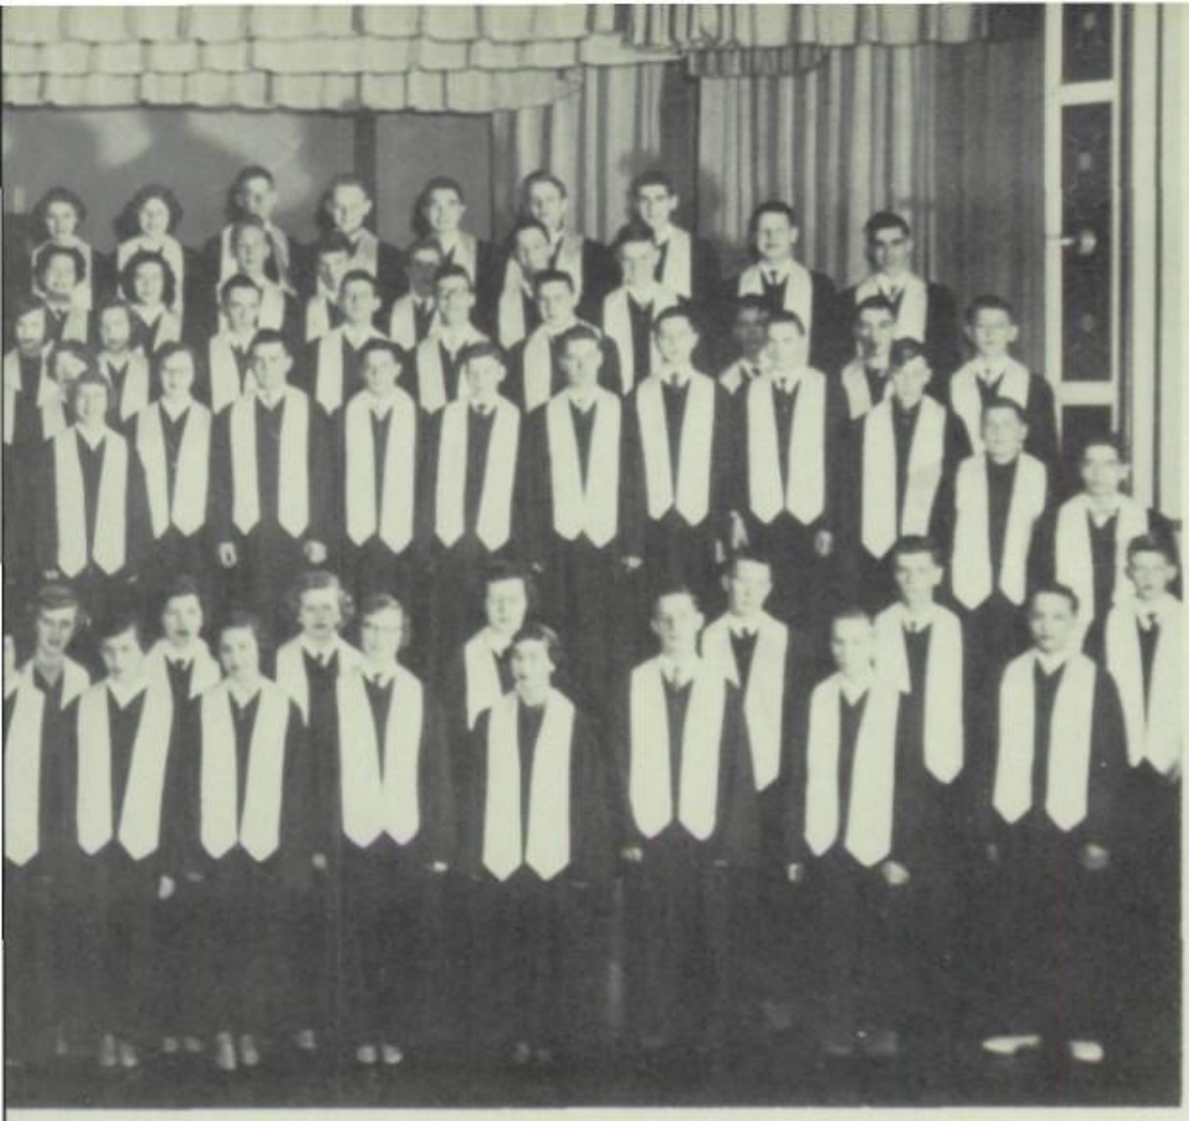
"Vilia"
"Regina Coeli"
"Bless This House"
"The Rosary"
"Lovely Lady Dressed in Blue"
"Stouthearted Men"
"Ciribiribin"



The "daily grind!" Many hours of rehearsal preceded each public appearance of the Glee Club.



To Set the Heart Dancing.

St. Joseph High School takes pride in its ever-progressing Glee Club which is in its fifth year of existence. Composed of 115 members, it has been a feature attraction in the annual Christmas Musicale and the Easter broadcast of the Mass in addition to its other public performances. As long as the enthusiasm and interest of the students will continue, we can look forward to bigger and better musical organizations.

Enthusiastic carolers spread Christmas cheer as they raise their voices in song.

Members of the Choral give their rendition of "Parade of the Wooden Soldiers."

Majorettes - B. Kolanowski, D. Kowalski, and M. Swanson, find "practice makes perfect".

And the Band

The "Pep" band under Mr. Skowronski's direction adds a bit of excitement and enthusiasm to each Braves' home game.

The first group of pioneer members will leave the band when N. Levandoski, E. Tabaczka, D. Kaminski, B. Kott, C. Mikula, and D. Kowalski graduate in June.

After a year's existence, the St. Joseph Band has reached a total of 130 members.

Played On!...

This sextet makes up the high school trumpet section.

"Start them early," is St. Joe's music slogan. Mr. A. Robertson teaches the future band members to produce music via the flute recorder.

The Senior Band appeared in its first Anniversary Concert on November 17, 1953.

Members of the Decorating Committee use their artistic skill in making posters and decorations for the "Winter Whirl."

The Hillcrest and Echoes . . .

It isn't overnight that a yearbook can be produced. Long hours of tedious composing, selecting, and assembling material are involved. As some of our schoolmates have so aptly put it, "It's seven days a week and no overtime pay, either".

Carol M. and Donna K. agree that two heads are better than one as they tackle the job of co-editing the 1954 Hillcrest.

Basketball Highlights

The Braves ended their current basketball season with a 10 won and 8 lost record with Senior center, Gerry Grabowski, walking off with all scoring honors. He led the Braves' scoring in all but one game. His single game total of 32 points broke the previous school record by 6 points and his season total of 338 (plus 15 in the Tournament) broke the individual scoring record. Credit for the efficient training goes to coach Tony Zientek whose whole-hearted interest and enthusiasm has added much to the team's moral and physical improvement.

Congratulations, Graduates!

The graduates are going forth --
God bless them every one!
To run this hard and stubborn world
Just as it should be run;
But much I fear they'll find that facts
Don't always track with dreams;
And running this old world is not
As easy as it seems.

This is the rule of life today,
As it has ever been;
The world bestows its smiles on those
Who have the strength to win.
Beneath all outward semblances
It looks for merit true.
It little cares how much you know,
But asks, what can you do?
